

Chess Development

Program Summary

The Coolum State High School Chess Development Academy focuses on improving students' skills for the game of Chess.

Chess is excellence for developing problem solving skills, improves memory and cognitive abilities, strategic thinking, and can assist with improving attention and focus.

Our expert coach, Peter Cam, is the current Noosa Shire Chess Club President. Peter has been actively involved in Chess for over 30 years. He has played all over the world including Cuba, Miami and Norway, and has a strong interest in the skill development of young Chess players.

Chess Development Academy students will participate in intra-school and inter-school competitions at District and Regional levels. Students who wish to develop their skills further and participate in competitions at an elite level, will have access to individualised coaching sessions.
