

School Canteen

Dear Parents/Carers

In order to provide a quality service for the students and staff, we need people to help us with food preparation and serving. We welcome volunteers in any time slot that is mutually convenient.

If you can assist, please indicate on the form and return it to the Canteen or Administration Office. If you have any enquiries regarding the roster or other Canteen matters, please contact the Convenor on 5471 5337, between 8:00am and 2:00pm on school days.

If you are able to assist for one hour, half a day or a full day we would value your assistance and it would be very much appreciated.

We look forward to meeting you and welcoming you to our team.
