		<ul style="list-style-type: none">- Chappy did a social skills program with diverse learners earlier this year and the year 12 Coolum High students embraced the diverse learners and made them feel welcome. Chappy was very humbled and pleased with this response.- Another story was that a young boy was anorexic and had a lot of difficulty and it was fantastic to see him graduate.- Chappy will hopefully be able to show these stories via video footage.- Tue 4 December, 12pm at the school - Chappy Xmas lunch to thank everyone that has been involved in Chaplaincy. Please come along and enjoy.
