### **Academy Information**

When: The Robotics Academy runs from Term 1 to Term 4 2024.

Coaching sessions occurs once a week on a outside of school hours, with day and time to be determined.

Where: Students meet at the Robotics and Coding Room E14, Wandama Building, Coolum SHS.

**Who:** The Robotics Academy is coordinated by Coolum SHS robotics experienced teachers, who support student learning and safety. Students of all year levels are eligible for entry into the Robotics Academy.

**Cost:** \$200 – inclusive of all necessary robotics and coding equipment, and competition entry to RoboRAVE competition.

- Please note the viability of each Academy is dependent upon sufficient student interest.
- Prices listed above are based on current Academy enrolments. Final pricings will be determined and communicated when selection has been finalised for each Academy and may not include all competition fees.

#### **Academy Details**

All students who apply will be given a position in the Robotics Academy. Students must be committed to attending every coaching session. Students must be willing to fully participate and learn new techniques in Python coding and robot vehicle design – including laser cutting and 3D printing. Students **must** return the attached Robotics Academy Acceptance Form along with this application.

Students may choose to participate in the RoboRAVE competition at the beginning of Term 3.

### Payment of Academy Program/s Fees

All outstanding school fees must be paid in full or an up to date payment plan in place, approved by the Business Manager. In addition, Academy fees must be paid in full 14 days after the invoice has been issued.

Please note that the costing of each Academy is determined by the number of successful applicants each year. For this reason, refunds cannot be granted for students leaving the program after its commencement.

# Please complete the following application question:
