## AFL Development

### Program Summary

AFL is a fast ball game that combines the core skills and physical attributes of all major sports. It is truly a National Sport for men and women. During the 2019 season, it was broadcasted to over 90 million viewers.

In 2019, Coolum State High School's senior girls team won the AFL-9-a-side competition against Sunshine Coast and Brisbane school teams.

The purpose of the Academy is to foster the love of the game so that students can take it up at club level, 'Coolum Breakers' and in their post school years, whether it be local, state-wide, inter-state or internationally.

Open to all students in Years 7, 8 and 9
