

Instrumental Music

Program Summary

Coolum State High School's Instrumental Music Program offers a musical and cultural experience which allows your child to explore and discover music whilst fine-tuning their musical ability. Our Instrumental Music Program is staffed by highly experienced teachers who are committed to the program's success.

This outstanding program involves intensive learning in group environments. Students can look forward to being involved in a wide range of activities aimed at further developing their music capabilities including music camps, excursions and music festivals.

Our Wind Symphony has enjoyed successes such as a Gold Award at the Victorian Schools Music Festival, Melbourne 2019, First Place at the Sunshine Coast Junior Eisteddfod and Gold Award at the Australian School Band and Orchestra Festival in Sydney, 2019.

Our Instrumental Music Academy includes students in all of our core ensembles which include String Orchestra, Middle School Concert Band and Wind Symphony.

Ideal candidates for this program include students who would like to build on their existing music skills gained in primary school or through after school activities. In line with our school's value of Excellence, all students participating in this program are expected to be diligent, dedicated and focused.
