## Parents & Citizens Association STUDENT RESOURCE SCHEME (SRS)

The school operates a student resource scheme (SRS) under Education Queensland guidelines. The Scheme aims to provide all students with the necessary basic textbooks and associated learning materials at considerable savings to parents, through the school's bulk purchasing processes.

Students are responsible to be prepared for learning by having all equipment and resources required for each class in every subject. Well prepared students are ready for learning and teachers can focus on teaching and learning as a priority. Should you decide not to join the Scheme and wish to calculate the cost, please use the RESOURCES TOTAL from the following table.
